

Holiday greetings from Mayor Colette Smythe,

I appreciate your confidence in me as mayor and I will continue to serve our community and its needs.

We have ongoing projects and by working together, I feel we can make the City of Ellsworth a better community to live, work and play!

Wishing you a joyous holiday season and New Year filled with peace & happiness.

Mayor, Colette Smythe

Please give a warm welcome to Joseph (Joe) Ahrens, who will be joining the City of Ellsworth staff in the Public Works Department on Monday, December 12th.

Joe is no stranger to city government or to Nobles County.

We are excited to have him as an employee!
